### **General Conference 2016 Fee Guide**

General Conference registration fees, approved by the Governing Board, have been reformulated for 2013 to enhance their equity and transparency. The fees are based on relative purchasing-power-parity among nations, following the fee structure used by the World Council of Churches, with some adjustments for realities unique to MCC constituents worldwide.

#### **How to find the rate applicable to you:**

Refer to the chart at [emerge.MCCchurch.org](http://emerge.MCCchurch.org), which outlines the fees. The chart has a number of groups:

- Groups 2 or 3 are special discount-rate groups.
- Groups 4 through 8 are based on the country where you live.

Here's how to use this chart:

Are you in Group 2? If yes, look to the right-hand columns for fee information. If no, go to the next step.

Are you in Group 3? If yes, then you qualify for a discount on the rates applicable to you under the following groups, 4 through 8. For example, if you're in Group 3 and Group 8 and registering early, you are eligible to pay USD \$250.00 instead of USD \$350.00.

Are you in Group 4, 5, 6, 7, or 8? To find your group, locate the country where you live in the lists. When you have found your group, look to the right-hand columns for the fee information.

Finally, please note also the refund policy now in effect, listed in the final row (at the bottom) of the chart.
